

The Kratochvil Family

missionaries to **Nicaragua**

May 2008

The following letter is the translation of a letter sent to me by our church members of the Iglesia Bautista Esperanza. They wanted this letter given to all of our supporting churches and I believe it will be a blessing to each of you. As Paul stated in Romans 1:8 "First, I thank my God through Jesus Christ for you all, that your faith is spoken of throughout the whole world." Your faithfulness and sacrifice have impacted and touched lives throughout the entire world!

Dear Pastor and Church,

A very warm greeting from us to you all. We trust that this letter finds you in good health and in unity with Christian family and friends. We are members of the Hope Baptist Church, located in Las Palmas, Managua, Nicaragua, founded by our Pastor Jason and his wife Nadia Kratochvil.

The motive of this letter is to thank you for all the support and help that you have given to us and our Pastor and his family. We, as members of this church, are so thankful to God and you for sending us the Kratochvil family. They have been such a blessing in each one of our lives because they have shared with us the best of their lives which is our Lord Jesus Christ. Also, they have shared their love, contagious happiness, kindness, friendship, and even their children with us. In the end the most that we can say and give to you is eternal thanks.

Brothers and sisters, we are praying for you and for each missionary that you have sent around this world that are currently far from family and friends giving all for the love of God. Thanks we leave with you from all the members of the Hope Baptist Church. Our desire is that the Lord gives you the richest and most abundant of blessings.

Sincerely,

La Iglesia Bautista Ezperanza
Hope Baptist Church

We are finishing up with furlough and will be returning to the field the last week of June. We will then return in October to be in a few missions conferences.
